CAREER GOAL

Institutional Leadership, Higher Education

EDUCATION

Ph.D., Yale University (Joint PhD, Depts. of Philosophy and Religious Studies)	1986
M.Phil., Yale University	1985
M.A., Yale University	1984
Ludwig-Maximilians-Universität, Munich	1981-83
M.A., Fuller Theological Seminary	1980
B.A., Westmont College (summa cum laude, Honors in philosophy)	1978

POSITIONS HELD

Most Recent: *Provost and Executive Vice President*, Claremont Lincoln University 2011-2013

- Consulting clients since the EVP position include the Graduate Theological Union, The Dharma Civilization Foundation, various Christian organizations, and a group of donors and foundations working together to build programs at a variety of different universities, most recently the University of California, Irvine.

Senior Vice President for Academic Affairs and Dean of the Faculty,
 Claremont School of Theology 2011-2013

Senior Administrator, Ford Foundation Grant, "Rekindling Theological
 Imagination: Transformative Thought for Progressive Action" 2008-2011

<i>Ingraham Professor, Claremont School of Theology</i>	2003-
<i>Visiting Professor of Science and Religion, Harvard Divinity School</i>	2006-2007
<i>Visiting Fellow, St. Edmund's College, University of Cambridge; Senior Research Associate and Visiting Professor, Faculty of Divinity, University of Cambridge</i>	Spring 2006
<i>Principal Investigator, the Templeton-funded Stanford Emergence Project</i>	2002-2003
<i>Guest Professor, Harvard Divinity School</i>	2001-2002
<i>Management Team, then (as of 1998) Principal Investigator and Manager, \$5M international Templeton Project, "Science and the Spiritual Quest"</i>	1996-2003
<i>Alexander von Humboldt Professor, Ludwig-Maximilians-Universität, Munich</i>	1994-1995
<i>Professor of Philosophy and, eventually, Chair of Department, California State University (Sonoma)</i>	1991-2003
<i>Fulbright Senior Research Fellow, University of Munich, Germany</i>	1990-1991
<i>Assistant Professor of Philosophy, Williams College</i>	1986-1991
<i>Visiting Assistant Professor, Haverford College</i>	Spring 1986

CURRENT BOARD AND STEERING COMMITTEE RESPONSIBILITIES

- President of the Board, Institute for the Postmodern Development of China
- Vice President of the Board, Pando Populus (PandoPopulus.com)
- Co-Director, Center for Process Studies
- Member, Structural Change Committee, Western Assoc. Of Schools and Colleges (WASC)
- Executive Committee member, International Society for Science and Religion
- Steering Committee member, American Academy for the Advancement of Science, "Science and Seminaries" Project, Dialogue on Science, Ethics and Religion Program.

- Steering Committee Member, Convergence Network (which runs, among other projects, The Center for Progressive Renewal, www.progressiverenewal.org)
- Steering Committee Member, Quaker Studies Group, The American Academy of Religion
- Advisory Board Member, Dharma Civilization Foundation

MANAGEMENT EXPERIENCE

As university administrator and as Principal Investigator and administrator of large research projects, I have gained experience in administering institutions and in managing people and programs, including program design and development, program implementation, fiscal oversight of multi-million dollar budgets, coaching managers, staff hiring and firing, and institutional leadership. Work history includes branding, public relations, interpreting programs to key constituencies, fundraising, working with foundations, staff development, working with university counsel, and Board relations.

OTHER ADMINISTRATIVE EXPERIENCE (SAMPLE)

- WASC Substantive Change Committee, Western Associate of Schools and Colleges, 2013- ; scheduled to chair the Visit Team for the reaccreditation of a WASC member school, 2016
- Executive Committee, Collective Action Network of America (CANAA)
- Organizer of the “Science and Spirituality” sessions at the World Parliament of Religions, funded by the International Society for Science and Religion (Melbourne 2009)
- Senior Advisor, Global Perspectives on Science and Spirituality, 2003-2006 (\$3m)
- Chair, Department of Philosophy, Calif. State Univ., Sonoma, 1998-2002
- Principal Investigator, Science and the Spiritual Quest, 1999-2003 (\$3.5m)
- Co-Investigator, Science and the Spiritual Quest, 1996-98 (\$1.5m)
- Board of Advisors, John Templeton Foundation, 1997-2004
- Responsible (as administrator or chief advisor) for some \$29 million in JTF program funding
- One of three advisors for the international Science and Religion Course Program (\$13 million)
- Judge for multiple RFPs and competitions, including (among others) the Library Project, the “Best Book of the Year” program, Global Perspectives on Science and Spirituality, and the “Major Awards Program” of GPSS
- Managed California State University (CSU) online program, “Ethics and Values in the Information Age” while at the CSU

WORK WITH THE JOHN TEMPLETON FOUNDATION (SAMPLE)

- Member, Board of Advisors; multiple terms since the 1990s

- At Sir John's request, led three-hour plenary session on "The Internationalization of the Science-Religion Dialogue" at the 2002 Board of Advisors meeting in Philadelphia (brought in leaders in the field from around the world; co-ordinated break-out sessions; worked with JTF management on follow-up programs)
- Delivered report on emergence to plenary session of 2003 Board of Advisors meeting at Stanford
- Performed the Compliance Audit of the John Templeton Foundation for 2001 - 2003 (together with an accountant and Organizational Development consultant) in 2004
- Helped the Templeton Foundation to organize the Millennium Summit in New York City in 2000
- External consultant to the Foundation in 2001 (with four others) at Sir John's request to form the International Society for Science and Religion
- External consultant to the Foundation in 2008 (helped to design and write up internally generated program proposals)
- Co-Winner, Templeton Research Prize, 1999
- Delivered the Templeton Research Lectures for 2006, University of Frankfurt
- Templeton Award for Best Book in Religion and Science, 1998
- Participant at multiple Humble Approach Initiative (HAI) conferences; lead editor for two books arising out of the HAI meetings (with Paul Davies and Arthur Peacocke); contributor to other HAI volumes
- Speaker at dozens of JTF-sponsored conferences and events over the last two decades, including most of the JTF flagship programs during these years
- Referee for scores of grant proposals
- Serve on the board of or as advisor to multiple organizations and programs created and/or funded by JTF
- Informal consulting with foundation management and with trustees over last ten years (some involving confidentiality agreements)
- Many discussions with Sir John Templeton, which helped to shape my vision of religion and science and of the need for a truly multi-religious approach to the field.

NON-ACADEMIC EMPLOYMENT

- World Vision: Management Services Department, 1980-81 — worked directly for President and senior management of a multinational philanthropy to help solve high-priority organizational challenges. Received job offer from the CEO to work as Assistant to the President but left to pursue doctoral studies.
- Several years of working in banks. Worked in different areas of customer service and transactions; completed special projects for branch manager. Invited to enter management training program for future bank managers.

PUBLISHED BOOKS

- *Finding Spiritual Community Again* (in preparation for submission to Fortress Press).
- *The Space Between the Atoms: Finding Human Values in our Unanswered Questions*, edited by Austin Roberts (under consideration by OneWorld in London).
- *Religion and Science in Global Perspective: A Comparative Theology*, edited by Austin Roberts (in preparation for submission to Oxford University Press)
- *The God Book*, with Claudia Pearce (in preparation for publication).
- *Science and Ecological Civilization: A Constructive Postmodern Approach*, to appear first in Chinese (Beijing, 2015).
- *Confronting the Predicament of Belief: The Quest for God in Radical Uncertainty*, with Steven Knapp and eight critics, edited by James Walters (Nashville: Crowdsourc, 2014).
- *Organic Marxism: An Alternative to Capitalism and Ecological Catastrophe*, with Justin Heinzekehr (Claremont: Process Century Press, 2014); Chinese translation 2015.
- *The Predicament of Belief: Science, Philosophy, Faith*, with Steven Knapp (Oxford: Oxford Univ. Press, 2011).
- *Religion and Science: The Basics* (London: Routledge, 2011).
- *Transforming Christian Theology: For Church and Society* (Minneapolis: Fortress Press, 2009). Danish translation 2011. Korean translation 2012.
- *In Quest of Freedom: The Emergence of Spirit in the Natural World* (Göttingen: Vandenhoeck & Ruprecht, 2009). German translation: *Die Frage nach der Freiheit. Biologie, Kultur und die Emergenz des Geistes* (Vandenhoeck & Ruprecht, 2009). French translation: *Les origines de la liberté. L'Émergence de l'esprit dans le monde naturel*, trans. Allesia Weil (Paris: Éditions Salvator, 2012).
- *Adventures in the Spirit: God, World, Divine Action* (Minneapolis: Fortress Press, 2008).
- *Mind and Emergence: From Quantum to Consciousness* (Oxford: Oxford University Press, 2004). German translation: *Emergenz und Bewusstsein. Evolutionärer Prozess und die Grenzen des Naturalismus* (Göttingen: Vandenhoeck & Ruprecht, October 2008). Romanian translation, 2008. Spanish translation 2011. Chinese translation, 2015. Korean translation in process.
- *The Problem of God in Modern Thought* (Grand Rapids: Eerdmans, 2000).

- *God and Contemporary Science* (Edinburgh: Edinburgh University Press and Grand Rapids: Eerdmans, 1998).
- *Das Gottesproblem*, vol. 1: *Gott und Unendlichkeit in der neuzeitlichen Philosophie*, composed in German (Paderborn: Ferdinand Schöningh Verlag, 1996).
- *Explanation from Physics to Theology: An Essay in Rationality and Religion* (New Haven: Yale University Press, 1989). German translation: *Rationalität und Religion. Erklärung in Naturwissenschaft und Theologie*, trans. Martin Laube (Paderborn: Ferdinand Schöningh, 1992).

EDITED BOOKS

- *Panentheism Across the World's Traditions*, co-edited with Loriliai Biernacki (New York: Oxford Univ. Press, 2013).
- *All That Is: A Naturalistic Faith for the Twenty-First Century*, in honor of Arthur Peacocke (editor). Minneapolis: Fortress Press, 2007.
- *Practicing Science, Living Faith: Interviews with Twelve Leading Scientists*, co-edited with Jim Schaal (New York: Columbia University Press, 2007).
- *The Oxford Handbook of Religion and Science*, with associate editor Zachary Simpson (Oxford: Oxford University Press, 2006). Arabic translation, 2014.
- *The Re-emergence of Emergence: The Emergentist Hypothesis from Science to Religion*, co-edited with Paul Davies (Oxford: Oxford University Press, 2006).
- *Evolution and Ethics: Human Morality in Biological and Religious Perspective*, co-edited with Jeffrey Schloss (Grand Rapids: Eerdmans, 2004).
- *Science and Beyond: Cosmology, Consciousness and Technology in the Indic Traditions*, co-edited with Roddam Narasimha, B. V. Sreekantan, and Sangeetha Menon (Bangalore, India: NIAS Publications, 2004).
- *In Whom We Live and Move and Have Our Being: Panentheistic Reflections on God's Presence in a Scientific World*, co-edited with Arthur Peacocke (Grand Rapids: Eerdmans, 2004).
- *Quantum Mechanics*, vol. 5 of *Scientific Perspectives on Divine Action*, coedited with Robert J. Russell, John Polkinghorne, and Kirk Wegter-McNelly (Vatican City: Vatican Observatory, and Berkeley: Center for Theology and the Natural Sciences, 2002).

- *Science and the Spiritual Quest: New Essays by Leading Scientists*, co-edited with Mark Richardson *et al.* (London and New York: Routledge, 2002).
- *The Theology of Wolfhart Pannenberg: Twelve American Critiques*, co-edited with Carl Braaten (Minneapolis: Augsburg Press, 1988).

AWARDS, FELLOWSHIPS, LECTURESHIPS (SAMPLE)

- Visiting Professor, Shanxi University, Taiyuan, Shanxi Province, China (June) 2014
- GBHEM Teacher of the Year, Claremont School of Theology 2014
- The 2013 Gowland Public Lecture, The Science and Religion Forum Annual Meeting, Chester, England 2013
- The 2013 Annual Landa Lecture, La Sierra University 2013
- The 2013 Harold Stoner Clark Lectures, California Lutheran University
- Annual Keynote Speaker, Wesleyan Philosophical Society Annual Meeting 2013
- The Charles Townes Lectureship, Furman University 2012
- The 2011 Goshen Lectures, Goshen College, Goshen, IN 2011
- Steering Committee, "The Impact of Religion, Challenges for Society, Law and Democracy," 5-year project funded by the Swedish government, Uppsala University 2009-2014
- Co-PI, three-year Ford Foundation Grant, "Rekindling Theological Imagination: Transformative Thought for Progressive Action" 2008-2011
- Metanexus Senior Fellow 2009-2010
- The Olaus Petri Annual Lectures, Sweden 2009-2010
- Guest of the Indian government through the Indian Council for Philosophical Research; ICPR Visiting Professor for the academic year 2008-2009
- The 2008 Annual Hiram Lectures, Hiram College, Hiram, OH 2008
- Treasurer, The Institute for the Postmodern Development of China 2008-
- The Schaff Lectures, Pittsburgh Theological Seminary 2007
- Templeton Research Lectureship, the University of Frankfurt 2006
- The 2006 Boyle Lecture, St Mary-le-Bow, London 2006
- Visiting Fellow, The Center for the Study of World Religions, Harvard University 2001-2002
- Principal Investigator, "Science and the Spiritual Quest" 1999-2003
- First Annual Templeton Research Prize 1999
- Templeton Award for Best Book in Religion and Science 1998
- CSU-wide Grant, "Ethics and Values in the Information Age" 1997
- CTNS Science and Religion Course Program Grant 1997
- University Merit Award, Sonoma State University 1996
- University Best Professor (Chamber of Commerce Excellence in Education award) 1995
- Senior Fulbright Research Fellow, University of Munich 1990-1991
- Charlotte W. Newcombe Fellowship 1985-86
- Douglas G. MacIntosh Fellowship, Yale University 1985-86

- Josephine de Kármán Fellowship for Studies in the Humanities 1984-85
- German Academic Exchange Service (DAAD) Fellowship for research at the University of Munich; extended for a second year 1981-83

OTHER PROFESSIONAL ACTIVITIES (SAMPLE)

- Moderator, "Does Science Disprove God?" CalTech, Pasadena CA, April 2011.
- Co-host, "Origins: The Big Questions" conference, CalTech, Pasadena CA, October, 2008.
- Invited Participant, "The Nature of Being Human: Ethical, Religious and Philosophical Implications of our Biomedical Future," Andover Newton Theological School, Newton MA, April 2007.
- PI, The Stanford Emergence Project, 2002-2004. Organized consultations on emergence and the natural sciences at the Center for Advanced Study in the Behavioral Sciences, October 2003, and "Emergence and Complexity: Ant Colony Organization" with Deborah Gordon, Dept. of Biology, January, 2004.
- Co-editor, *New Studies in Constructive Theology*, Eerdmans Publishing House.
- Board of Directors, Metanexus Institute for Religion and Science
- Editorial Board, *American Philosophical Quarterly* (1994-2001)
- Membre du Conseil Scientifique, L'Université Interdisciplinaire de Paris.
- Principal Investigator, "Science and the Spiritual Quest," a four-year, \$3.5 mil. program of international dialogue on science and theology, 1999-2003.
- Advisor, Science and Religion Course Program, Center for Theology and the Natural Sciences, Berkeley, 1999-2002.
- Co-Organizer, "Foundations and the Ontological Quest" conference, The Pontifical Lateran University, Rome, January 2002.
- J. K. Russell Fellow, Center for Theology and the Natural Sciences, Berkeley, Fall, 2001.
- Co-director, "Biology and Purpose: Altruism, Morality, and Human Nature in Evolutionary Theory," Calvin College Seminars in Christian Scholarship, Grand Rapids, Michigan, July 2-27, 2001.
- Steering Committee Member, The Vatican Observatory Project on Quantum Mechanics and Theology, 1999-2001.
- Lecturer, summer seminars program, Oxford University, July 2000.
- Founder and Co-chair, Christian Systematic Theology Group, American Academy of Religion, 1992-1999.
- Selection Committee, Prize for Excellence in Philosophy (best philosophy dept. in the US), American Philosophical Association (1998 and 1999)
- Participant, U.S.-Sino Conference on Philosophy of Religion, Society of Christian Philosophers, Ziamen, China, Fall 2000.
- Book Review Editor, *Zygon*, 1991-98.
- Instructor, Templeton Science and Religion Course Program Workshops, 1996-97.
- Invited Participant, The Vatican Observatory Project on the Neurosciences and Theology, 1997-99.
- Chair, Systematic Theology Sessions, American Academy of Religion annual meetings, 1994-99.
- Director, Office for Academic Innovation, Sonoma State University, 1995-98.

- Invited Participant, conference on “The Crisis in Biblical Hermeneutics,” Gordon College, August 1996.
- Chair, Session on the Philosophy of Time, American Philosophical Association Pacific Division annual meeting, Portland OR, March 1992.
- Participant, American Philosophical Association seminar on teaching Philosophy, Chicago, January 1988.
- Participant, Symposium on Evolution and Intelligence, Haverford College, November 1986.
- Participant, week-long seminar on contemporary philosophy of religion, Wheaton College, July 1984.
- Elder Hostel instructor, Sept. 1984 (New Haven, CT); July 1988, July 1989 (Williams College).

SERVICE TO RELIGIOUS COMMUNITIES (A SMALL SAMPLE)

- Many sermons, adult education classes, and retreats at churches across southern California and nationally.
- Many lectures at synagogues, mosques, and Hindu temples.
- Dharma Civilization Foundation keynote, Dallas, TX, July 2013.
- Co-Organizer and Keynote Speaker for the first two annual “Transforming Ministry” training events, Western Jurisdiction of the United Methodist Church, Claremont in July 2012 and Seattle in July 2013.
- Keynote speaker, Wesleyan Philosophical Society and Wesleyan Theological Society, Seattle, WA, February 2013.
- Keynote speaker, Quadrennial Training Event for the United Methodist Church, Nashville, TN, January 2013.
- Speaker, Cal-Pac Clergy Convocation, 2012.
- Keynote Speaker, Pacific Northwest Clergy Convocation, 2011.
- Keynote Speaker, Clergy Training Event, Columbia Seminary, Atlanta, GA, January 2010.
- “The Universe Story,” a workshop on evolution and emerging spiritualities, New England Quarterly meeting of the Religious Society of Friends, January 2007.
- “Science and Spirituality Today,” Friends Meeting Cambridge, Cambridge MA, January 2007.
- “Evolution and the Emergence of Consciousness: Challenges To Religious Belief And Practice,” public lecture and day-long workshop, Stone Church, San Jose CA, August 2005.
- “The Problem of God in Modern Thought,” presentation at the Glendale United Methodist Church, September 2004.
- “Responding to the Crisis in Liberal Theology Today,” presentation at the University of Redlands Cal-Pac United Methodist Annual Conference, June 2004.

MEDIA (SAMPLE)

- Appearances on French television, August 2014
- Two appearances on Turkish national television, October 2012, including a one-hour focus interview

- Appearance on PBS national broadcast for Claremont Lincoln University, 2012.
- Three live appearances on Al Jazeera television, taped in Doha, Qatar. Also a live appearance on Al Jazeera's Arabic-language evening news (estimated 70 million viewers), May and June 2008.
- Taped interviews in spring 2007 for some 6-8 episodes of the PBS television series *Closer To Truth with Robert Kuhn*; <http://www.closetotruth.com/>
- Taped lecture for video series on science and religion, hosted by Francis S. Collins, the Human Genome project, NIH, June 2007, in partnership with Wesley Seminary, Washington DC.
- Featured professor in the *Harvard Crimson*, June 2007.
- Featured on several half-hour radio programs, western Michigan, February 2007.
- Interviewed on NPR station WGVU, Grand Rapids, Michigan, February 2007.
- Interviewed on WORD-FM Pittsburgh, February 2007.
- Interview on future of science for *Nature Magazine*, spring 2007.
- Interview on science/religion for *Discovery Magazine*, spring 2007.
- Three-time guest on "Spring Forward," nationally broadcast PBS show on science, technology, and society.
- Three times featured on "Philosophy Talk," nationally syndicated NPR broadcast produced by KALW San Francisco, most recent 2011.
- Covered in *U.S. News and World Report*, "Is there room for the soul?" posted 10/16/06.
- Featured on one-hour broadcast of "Doppel-Kopf" (one-on-one debate), Hessische Runkfunk (state radio of Hessen), broadcast from Frankfurt, Germany, August 2006.
- Final guest on "Tsunami: Where Was God" broadcast Dec. 25, 2005 on BBC4 and annually for many years thereafter.
- Guest on TV program, "The Evidence," aired on Court TV and Trinity Broadcasting Network (TBN), fall 2005.
- Several appearances on KQED San Francisco (3.5 million market).
- Interview on BBC radio international (30 million market).
- Twice featured in WIRED Magazine, e.g. on "The New Atheism," fall 2006.
- A series of interviews with Uwe Siemon-Netto, Religion editor, United Press International.
- Interviews with foreign newspapers, radio stations, and TV stations while lecturing in various countries, e.g. Vatican Radio, Indian newspapers such as *The Times of India*, French radio, Romanian radio and national TV, etc.
- Regular interviews by newspaper reporters (too many to list, e.g. *U.S. News and World Report*, Oct. 23, 2006).
- Central piece in the Sunday edition, *Washington Post*, April 3, 2005 (on the death of Terri Schiavo).
- Regular coverage of my work in newspapers and magazines (too many to list)

MEDIA — ARTICLES IN NEWSPAPERS AND MAGAZINES (SMALL SAMPLE)

- "Letting Doubters in the Door," *Los Angeles Times*, 2012, ran in newspapers across the country.
- "Five Minds for the Future," *Science & Spirit* magazine, fall 2007.
- "A Mystery of Body and Soul," *Washington Post*, April 3, 2005, page B01 (lead article in Sunday

Outlook section).

- "Emergence: Hypothesis, Hype, or History in the Making?," *Science and Theology News*, two-page spread (October 2004). Panentheism article, 2005. Interview on emergence, March 2006.
- "How the World Became Complex," *Milestones*, February 2006. Also "In Honor of Charles Townes," 2005.
- "Science and Spirit," *Kansas City Star*, 2004, carried by Knight-Ritter newspapers.
- "An Interview with Philip Clayton," *Process Perspectives* (November 2003).
- "Science and the Spiritual Quest," Editorial, *Deccan Herald* (Bangalore, India), January 21, 2003.
- "A Program Ends, The Quest For Science-And-Religion Continues," *Research News & Opportunities in Science and Theology* 4/2 (2003): 2ff.
- "Science and the Spiritual Quest," MSNBC.com, October 2001.
- "Science and Religion in a post-Sept. 11 World," *The Press Democrat* (northern California), November 7, 2001.

Talks and Lectures

(PARTIAL LIST; SEE ALSO WWW.PHILIPCLAYTON.NET)

2015 (partial)

Jan. 17, "Confronting the Predicament of Belief," with Steve Knapp, Sabbath School Class, Loma Linda University Church, Loma Linda, CA.

Feb. 1-5, "Islam and the Environment," conference sponsored by the Pacific Dialogue Foundation, Manila, The Philippines.

Feb. 8, Keynote lecture to dedicate new Jain temple in La Cañada Flintridge, CA.

Feb. 12-13, "The Abrahamic Religions and Science," The Islam and Science Task Force, convened by the former Secretary General of the Organisation of Islamic Cooperation (OIC), hosted by the OIC International Research Center for Islamic Arts, Culture, and History, Istanbul, Turkey.

Feb. 14, TV and newspaper interviews for the Hizmet movement, Istanbul, Turkey.

Feb. 22, Preach at UMC Church in Los Angeles.

Mar. 14 - 18, co-lead and speak at "Gathering by the Sea: Convergence Initiators," Marco Island, FL; <https://www.eventbrite.com/e/a-gathering-by-the-sea-convergence-initiators-gathering-tickets-12606982825>

April 15 - 19, Philadelphia Area Lecture Tour. E.g. April 16, "Emergent Mind: What Brains and Cognition Tell Us about Faith," Chestnut Hill College, Sugar Loaf Campus, Commonwealth Chateau. April 15, consult with Board of The Institute for Religion and Science.

May 16, keynote talk at Loma Linda University

conference on free will.

June 4 - 7, International conference on "Seizing and Alternative: Toward an Ecological Civilization," The Claremont Colleges, multiple presentations. <http://www.ctr4process.org/whitehead2015/> and www.PandoPopulus.com.

June 15 - 25, China Lecture Tour. Keynote at the Conference on the new Chinese translation of my *Organic Marxism*. Other lectures.

June 30 – July 1, "Science and Seminaries" conference, American Association for the Advancement of Science (Dialogue on Science, Ethics and Religion program), Washington DC.

July 20 - 21, "Realism and Explanation in the Sciences and Theology," and "Scientific Laws, Causation, and God's Action in the World," summer seminar on "Bridging the Two Cultures of Science and the Humanities," Oxford Interdisciplinary Seminars in Science and Religion, Lady Margaret Hall, Oxford, England.

Aug. 27 - 29, "Science and Religion in a World of Religious Pluralism," International Congress on Science and/or Religion: A 21st-Century Debate, Sigmund Freud University, Vienna, Austria.

Oct. 15 - 19, World Parliament of Religions, Salt Lake City, Utah: organize keynote address for the International Society for Science and Religion (ISSR); I have invited Francis Collins, Director of the NIH. Organize two panels on genetics and bioethics. Chair the first one and speak on the second one.

2014

Jan. 11, Recorded appearance on NPR's national broadcast "RadioLab with Molly Webster."

Feb. 2, preach at UU Church, Upland, CA.

Feb. 23-24, "On Human Consciousness, Spirits, the World-Spirit, and Transcendent Spirit: Theological Assessments of Spiritual Experience in the 20th Century," San Francisco Theological Seminary, conference on the history and social science of religious experience.

Mar. 9, Preach at Whittier First Friends Church, Whittier, CA.

Mar. 10, tape show for Turkish television.

Mar. 19, "Contemporary Religion and Science Dialogues," public lecture, Univ. of Hawaii at Manoa.

Mar. 20, "Religious Freedom and Freedom of Speech in the American Context: Pluralism and the Sacred," Annual Friendship Dinner with Hawaii State legislators, Honolulu, HI.

Mar. 28-30, "Agents Matter and Matter Agents: Reconceiving Biology and Theology If It's Agents All the Way Down (and Up)," Drew University Transdisciplinary Theological Colloquium.

April 1, "Because of Science I Have to Be an Atheist ... And Other Fallacies of Our Age," Eckerd College annual campus-wide Burchenal Lecture.

April 14, "Religious Understandings of Science," Panel at Rice University, Houston, TX.

April 25, "Religious Location, California Style: Concrete Theologies in the Most Pluralistic of States," Univ. of Calif. At Berkeley conference on "Religion in California."

April 25, "Organic Marxism, Organic Education," dinner keynote, annual Banquet of the Institute

for the Postmodern Development of China, Claremont, CA.

April 26, "Educating Whole Persons: Why Holism Is at the Center of Ecological Education," 9th International Conference on Ecological Civilization, Scripps College, Claremont, CA.

April 28-29, "Time and Emergence," Interdisciplinary conference on "Subjective Becoming: The Experimental Metaphysics of Time and the Observing Self," Chapman University, Orange, CA.

May 14, "Integrating Science and Religion for a Planet in Crisis," symposium in honor of Ian Barbour, Carleton College, Northfield, MN.

May 18, "Confronting the Predicament of Belief," Loma Linda University Church, Loma Linda, CA .

May 19, "V.R. Gandhi and the First World Parliament of Religions: Jainism Goes Global," The Jain Center of Southern California, Buena Park, CA.

May 22, "Emerging Churches and the Future of Faith," The 2014 Tocher Lecture, Grace Episcopal Cathedral, Topeka, KS. Also led afternoon seminar for area clergy.

June 9 - 14, Lecture Tour in China (Beijing and Shanxi Province). Lecture series at Shanxi University consisted of five public lectures, including: "Organic Marxism and Deconstructive Marxism: Derrida, Žižek, and Harvey," "Organic Marxism, Process Philosophy, and Chinese Thought," "The British New Left: A Critical Analysis from a Constructive Postmodern Perspective," and "Organic Marxism and Ecological Civilization." Also delivered "Science and Technology as Servants of Ecological Civilization" at two other universities.

July 7, "The Sciences of Emergent Complexity:

- Evolutionary Emergence of Body, Mind, and Spirituality," Religion/Science lecture series, Trinity Episcopal Church, Santa Barbara, CA.
- Aug. 22 - 27, "Religion and Science in the English-Speaking World: What are the Main Questions and the Hot Debates?" and "How to Teach the Controversies: Sensitive Issues in Discussions of Religion and Science," International Summer School on "Islam and Science: An Educational Approach," Paris, France.
- Sept. 12, "The Science and the Theology of Joy," The Divinity School, Yale University, New Haven, CT.
- Sept. 20, "The Spiritual Roots of the Medical Use of Yoga, Meditation, and Mind-Body Therapies," International Conference in Yoga, Meditation, And Integrative Health, University of Southern California, Los Angeles, CA.
- Sept. 21, "An Introduction to Science and Religion," Gloria Dei Lutheran Church, Dana Point, CA.
- Sept. 25, "Between Intelligent Design and the New Atheism: Science and Religion at the Crossroads," The Killeen Lecture, St. Norbert College, WI.
- Sept. 26 - 28, "A Transformative Faith: Seeking Inner Renewal, Shared Community, and Transformative Service," weekend retreat for Whittier First Friends Church, Dana Point, CA.
- Oct. 2, "Respect for the Sacred in the Context of American Religious Freedom and Freedom of Speech," Annual Friendship Dinner with Alaskan State legislators, Hilton Anchorage Hotel, Anchorage, AL.
- Oct. 3, "Faith in a Scientific Age: The Emergence of Bodies, Minds and Spirituality," Public Lecture, Alaska Pacific University, Anchorage, AL.
- Oct. 16 - 17, "Religious Identity and Belonging: Giving Back to the Community," University of Missouri, Kansas City, MO.
- Oct. 23 - 25, "Randomness and Agency: An Analysis of Knowledge and Foreknowledge from an Agent-Centered Perspective," Conference on Randomness and Foreknowledge, Dallas, TX.
- Nov. 13 - 15, "Trendlines in Emerging Religion: The Cloud," National Denominational Leaders Conference, Center for Progressive Renewal, Phoenix, AZ.
- Nov. 21 - 24, American Academy of Religion annual meeting, San Diego, CA. Three presentations: "Emergence Evolving: Clarifications and New Insights into Emergent Complexity and Evolution," "John the Prophet: On the Legacy of John Cobb," and "Catherine Keller's *Cloud of the Impossible*."
- 2013**
- "The Predicament of Belief: Providence in an Age of Science," 2013 Gowland Public Lecture, The Science and Religion Forum, Chester, England, September 2013.
 - "God-World Symmetries and Divine Infinity: Reflections on Process Philosophy, Postmodern Theologies, and Divine Infinity," conference on The Infinity of God, Ruhr Universität Bochum, August 2013.
 - Lecture tour, Southeastern China Normal University and four universities in southern China, June 2013.
 - "Infinity," World Science Festival, New York University (and other venues), New York, NY, May 2013.
 - "Religion and Science: Beyond Fighting, Beyond Fear," Fuller Seminary Pastors Conference, May 2013.

- "Between Intelligent Design and the New Atheism: Science and Religion at the Crossroads," The Harold Stoner Clark Lectures: California Lutheran University, March 2013: "The Path from Reduction to Re-enchantment" and "Emergent Complexity."
- "What Does it Mean to be Peacemakers in a Divided World?" Landa Lecture, La Sierra University, February 2013.
- "The Predicament of Belief: The Strongest Grounds for Doubt Today" and "How Far Can Universal Reason Go in Defending Specifically Christian Beliefs?," Wesleyan Philosophical Society 2013 Annual Meeting: "Navigating the Boundaries of Reason and Christian Faith: Six Levels of Knowing and Believing," Seattle, WA, February 2013.
- "Holiness from a Radical Wesleyan Perspective, Wesleyan Theological Society Annual Meeting 2013, Seattle, WA, February 2013.
- "Trends in Theological Education," Claremont School of Theology, February 2013.
- "Beyond Fear: Even the Wind and the Waves," United Methodist Quadrennial Training Event (1,000 church leaders), Nashville, TN, January 2013.

2012

- "Occupy the Church," American Academy of Religion Annual Meeting, Chicago, IL, Nov. 2012.
- "Constructing Models of Ultimacy," Response to Wesley Wildmann, American Academy of Religion Annual Meeting, Chicago, IL, Nov. 2012.
- Response to Papers, "The Persistence of the Sacred in Modern Thought," American Academy of Religion Annual Meeting, Chicago, IL, Nov. 2012.
- Panel presentation, "The Implications of Religious Violence in America--Pluralism, Minority Religions, and the American Social Covenant," Dharma Academy of North America, in conjunction with the American Academy of Religion Annual Meeting, Chicago, IL, Nov. 2012.
- "Science and Religion from a Biblical Point of View" and "Adventure in the Spirit: God, World, Divine Action," Interfaith Religion and Science Conference, Islamic Center of Southern California, November 2012.
- "Building the Interreligious University: How Interfaith Education is Transforming Religions Inside and Out," University of California, Irvine Distinguished Visiting Speakers Series, November 2012.
- Lecture tour, Fatih University and five other universities in Istanbul and Ankara, Turkey, September 2012.
- "Suicide Bombers and Barefoot Prophets: The Faces of Radical Religion in the Early 21st Century," Chautauqua, August 2012.
- Lecture tour, Harbin Institute of Science and Technology, Harbin Normal University, and six other universities in northern China, June 2012.
- "Science and Religion: Beyond the Impasse," Schnitzer Auditorium, Portland, OR, April 2012.
- "Emergence and Ecclesiology," Conference on the Emerging Church, Asbury Theological Seminary, Asbury, KY, March 2012.
- "Faith and Doubt, Dissection and Reconstruction, Or: What Happens when Process meets Emergent?" Annual Emergent Village Conference, Chicago, IL 2012.
- "Neurophenomenology," National Institute for Advanced Study, Bangalore, India, January 2012.
- Lecture tour of in New Delhi and Varanasi,

January 2012.

- “Why Interreligious Partnerships are Indispensable in Addressing the Global Environmental Crisis,” at the Conference “Shared Earth: An Interfaith Conference on the Environment,” Lutheran School of Theology at Chicago, Chicago, IL, January 2012.

2011

- The 2011 Donohoe Lectures, Phoenix, AZ, November 2011. Theme of the five lectures was evolutionary spirituality.
- “New Leaders for a New Church,” 2011 Annual Clergy Convocation, The California-Pacific Annual Conference of the UMC, Palm Springs, Sept. 2011.
- “Cultures of Belief in Modern Societies,” keynote lecture at the International Conference on Science and Religion, sponsored by the British Council, University of Sharjah, Sharjah, UAE, June 2011. Also facilitated three sessions for Muslim graduate students from across the Arab world.
- “Why the ‘New Atheism’ is Bad Science: Biology, Philosophy, and Religion after Epigenesis & Systems Biology,” University of Vienna, March 2011.
- “Dialoging with the ‘New Atheism’: Rethinking both Science and Religion,” Drew University, Madison, NJ, March 2011.

2010

- Jan. 26-28, Decatur, GA: Gave the opening keynote entitled “Jesus and Emergence: Rethinking Believing from the Ground Up” at “Emergence Now,” part of an annual seminar series by The Center for Lifelong Learning at Columbia Theological Seminary.
- Feb. 12-13, Claremont, CA: Presented a paper entitled “Between Skepticism and Faith: Evolution, Peirce, and Religious Belief” at “Skeptical Faith. On faith, belief, and skepticism,” the annual conference put on by the Danforth Professor of the Philosophy of Religion at Claremont Graduate University.
- Feb. 23-26, Vienna, Austria: Gave a lecture entitled “Why the New Atheism is Bad Science: Biology, Philosophy, and Religion after Epigenesis and Systems Biology,” at the University of Vienna.
- Mar. 10-12, Claremont, CA: Organized a conference entitled “Theology After Google: Leveraging New Technologies and Networks for Transformative Ministry,” to empower pastors, laypeople, and up-and-coming theologians of the next generation to do “theology after Google,” theology for a Google-shaped world. Gave a talk entitled “Talking Truth in the Google Age” on March 10th.
- Mar. 14, Claremont, CA: Gave a talk entitled “Quaker Traditions and Practices: What Binds Friends Together When They’re So Diverse?” at the Friends Meeting in Claremont.
- Mar. 18, Chicago, IL: Gave a talk entitled “Human Uniqueness Evolved and Evolving: Biology, Culture, and Transcendence”, sponsored by the Hyde Park Religion and Science Society (HPRSS) and the Zygon Center for Religion and Science (ZCRS).
- Mar. 18, Chicago, IL: Gave an opening talk entitled “This Sacred Earth: Why Interreligious Partnerships are Indispensable in Addressing the Global Environmental Crisis” at “Shared Earth: An Interfaith Conference on the Environment,” sponsored by the Center for Christian-Muslim Engagement for Peace and Justice at the Lutheran School of Theology at Chicago.
- Mar. 19-21, Goshen, IN: Presented three lectures on “Evolution After the Religion Wars: Rethinking Humanity and Ethics in Light of the Science-Religion Partnership” at the Annual Goshen Conference on Religion and Science. The first lecture was entitled “Starting with the Big Picture: The Evolutionary Emergence of Body, Mind, and Spirituality,” the second was

- “Apes with Big Brains: Anthropology and the Biological Sciences,” and the third was “What’s a Nice Hominid Like You Doing in a Place Like This? Ethical Dilemmas Our Biology Never Prepared Us For.”
- Mar. 27, Loma Linda, CA: Gave a talk entitled “Emergence, Religion, and Faith: Speculating on the Connections at the neurology classroom in the Coleman Pavilion at Loma Linda University.
 - Apr. 9-10, St. Paul, MN: Giving an opening keynote entitled “The Emergence of the Natural World, the Emergence of Religion, Or Why the Value-Free, Belief-Free Study of Religion Can Never Suffice” for the annual meeting of the AAR, Upper Midwest Region.
 - Apr. 15-16, Chicago, IL: Giving a talk on theology and science at Loyola University Chicago.
 - Apr. 22-25, San Anselmo, CA: Giving a talk entitled “Christian Panentheism and Contemporary Science,” in the student-faculty History of Religion Seminar entitled “Nature, Miracle, and Magic” on April 22nd. Participating in a discussion with Bruce Reyes-Chow on “Are Seminaries an Anachronism? Revolutionizing Theological Education and Christianity in the 21st Century” on April 23rd at Scott Hall of San Francisco Theological Seminary.
 - Apr. 28-30, Claremont, CA: Speaking at the “Conference on Ecological Civilization,” sponsored by the Institute for Postmodern Development in China.
 - May 10-14, Philadelphia, PA: Giving a lecture series entitled “With Science Beyond Science: The Human Quest for Meaning and Transcendence.” This series is sponsored by the Metanexus Institute, and consists of five lectures: 1. “Starting with the Big Picture: The Evolutionary Emergence of Body, Mind, and Spirituality,” 2. “Apes with Big Brains: Anthropology and the Biological Sciences,” 3. “Persons in Quest of Meaning: Psychology, the Arts, and the Social Sciences,” 4. “What’s a Nice Hominid Like You Doing in a Place Like This? Ethical Dilemmas Our Biology Never Prepared Us For,” and 5. “Transcendence and Self-Transcending: Anthropology, Cosmology, and Religion.”
 - June 21-23, Berkeley, CA: Giving a talk entitled “Advances in Theoretical Biology: Biology, Culture, and the Question of Meaning” at a conference on biology, biosemiotics, and theology at University of California at Berkeley.
 - July 7-10, Oxford, UK: Giving a keynote address at “God and Physics, Incorporating an 80th Birthday Celebration of the Work of John Polkinghorne,” a conference sponsored by the International Society for Science and Religion at The Clarendon Laboratory at St. Anne’s College.
 - July 19-21, Claremont, CA: Giving a talk at a conference on process and biology in Claremont.
 - Sept. 8-10, Raleigh, NC: Attending and organizing a “Big Tent Christianity” meeting, co-hosted by Brian McLaren for the Transforming Theology project. The public event takes place Sept. 8-10; for registration information and a list of speakers, visit <http://www.bigtentchristianity.com/> The private event is a meeting of 30 Christian leaders from around the country, meeting with Brian and me at a retreat center outside Raleigh Sept. 8-10.
 - September 18, 2010 Loma Linda, CA: An all-day public seminar on my Adventures in the Spirit, at the University Church on the campus of LL Univ. <add link>, with the title, “The Adventure Continues.” Sessions are 10-12 and 1-3. contact Jim Walters at Loma Linda University, <jwalters@llu.edu> for further information.
 - Sept. 24-27, Wenatchee, WA: Presenting a series of lectures for the 2010 Albertson Lecture series on Sept. 24th. Presenting the keynote lecture for the Pacific Northwest Conference of the United Methodist Church on Sept. 27th at First Church.
 - Sept. 30-Oct. 3, Madison, NJ: Giving a paper at the annual conference of the Transdisciplinary Theological Colloquium at Drew Theological School. Paper Title: The God Who IS (Not) One: Of Elephants, Blind Men, and Disappearing Tigers

- Oct. 15-25, Beijing, China: Giving a lecture tour in China, including a conference in Beijing from Oct. 20-22nd.
- Nov. 5-7, Basel, Switzerland: Giving an opening keynote for a conference on Jewish, Christian, and Muslim approaches to Religion and Science. Talk title: Neither Exclusion, Relativism, nor Religionswissenschaft: How the Conversation with Science Transforms the Interreligious Dialogue, and conference title: "Religion and Science in Judaism, Christianity and Islam."
- Nov. 28-Dec. 3, Big Sur, CA: Participating in "Panentheism Across the World's Religions," a conference for the Center for Theory and Research at the Esalen Conference Center.
- "On the Plurality of Complexity-Producing Mechanisms," Templeton/HAI Seminar on Complexity with Paul Davies, Arizona State University, Dec. 2010.

2009

- Feb. 19-22, Heidelberg, Germany: Gave a paper entitled "Toward a Constructive Theology of the Person," at the Michael Welker consultation on "Toward a More Complex Theory of Personhood" at University of Heidelberg.
- Mar. 6, Claremont, CA: Gave a paper entitled "Teaching Theology in a World Where Science Really Matters," conference on "Theology for a Secular Age" at Claremont School of Theology.
- Mar. 12-14, Claremont, CA: Co-organizer of a three-day conference on "Rekindling Theological Imagination: Transformative Thought for Progressive Action," Claremont School of Theology, including public events on "Transforming the Church" and "Transforming Society."
- Mar. 23-27, Big Sur, CA: Co-organizer of a five-day conference on "Evolutionary Panentheism" together with the Center for Theory and Research at the Esalen Conference Center; also presenting "This Sacred Planet."
- May 11-15, Uppsala, Sweden: Gave the Olaus Petri annual lectures: "With Science Beyond Science: The Human Quest for Self-Understanding": Lecture 1: "Apes with Big Brains: Anthropology and the Biological Sciences"; Lecture 2: "Persons Seeking Meaning: Anthropology, the Arts, and the Social Sciences"; Lecture 3: "Transcendence and Self-Transcendence: Anthropology and Religion."
- May 27-29, Claremont, CA: Co-organizer of a three-day denominational summit on "Rekindling Theological Imagination: Transformative Thought for Progressive Action."
- July 3-5, Cambridge, UK: Spoke on a panel addressing scientific and philosophical critiques of current views on the evolution of religion at "Evolution, Religion and Suffering," a two-day conference by the International Society for Science and Religion, St. Edmund's College.
- July 5-10, Cambridge, UK: Spoke on the evolution of religion and theology in a Darwinian context at "Darwin Festival 2009," a five-day festival celebrating the 150th anniversary of the publication of *On the Origin of Species*.
- Sept. 9-11, Chicago, IL: Had a conversation about Jürgen Moltmann at the 2009 Emergent Villiage gathering entitled "A Theological Conversation with Jürgen Moltmann."
- Sept. 28-30, Berlin, Germany: Gave the opening keynote at "God and the Future," a two-day conference sponsored by the Guardini Foundation and the DFG, which discussed eschatological, historical, cosmological aspects, the question of God's foreknowledge, and the openness of the future and freedom at Humboldt-University.
- Oct. 20, Laurinburg, NC: Gave the John Calvin McNair Annual Lecture entitled "Living toward an Open Future: What are the Theological Conditions for Hope in an Age of Science?" at St. Andrews Presbyterian College.
- Oct. 21, Hamilton, Ontario: Gave a lecture entitled "Living toward an Open Future: What are the Theological Conditions for Hope in an Age of Science?" at McMaster University.
- Oct. 22, Toronto, Ontario: Gave a lecture entitled

- “Living toward an Open Future: What are the Theological Conditions for Hope in an Age of Science?” at University of Toronto.
- Oct. 25, Scottsdale, AZ: Gave a talk entitled “Apes with Big Brains: Anthropology and the Biological Sciences” at Pinnacle Presbyterian Church.
 - Oct. 26, Tempe, AZ: Gave a lecture entitled “Emergent Phenomena in the Natural World: What Do They Suggest about Religion?” at the Center for the Study of Religion and Conflict at Arizona State University.
 - Oct. 26, Tempe, AZ: Gave a talk entitled “The Crisis of the Humanities in America: An Analysis and Concrete Proposal for Action” at the School of Historical, Philosophical and Religious Studies at Arizona State University.
 - Oct. 26, Phoenix, AZ: Gave a talk entitled “Transcendence and Self-Transcending: Anthropology, Cosmology, and Religion” at Shadow Rock United Church of Christ.
 - Nov. 7-9, Montreal, Quebec: Spoke on the problem of evil, “The Argument from Neglect” at the American Academy of Religion annual conference.
 - Nov. 10-11, Burnstown, Ontario: Gave a talk entitled “Transforming Christian Theology: For Church and Society,” with a public lecture on “This Sacred World: What the New Integration of Science and Religion Has to Say about Ecology, Politics, and Human Spirituality” at the Madawaska Institute.
 - Nov. 20-22, San Diego, CA: Gave the opening keynote at the Darwin Festival at California State University San Diego.
 - Dec. 5, Melbourne, Australia: Organized and spoke at three sessions at the Parliament of the World Religions’ five-year conference. The sessions were as follows: “Science and Spirituality: Building New Partnerships to Heal the Earth,” “Science, Spirituality, and Overcoming Religious Conflict,” and “Religion, Science, and Environmental Activism.”
 - Jan. 24-27, Heidelberg, Germany: Gave a paper entitled “Toward an Emergent Anthropology” at University of Heidelberg.
 - Feb. 8-9, Claremont, CA: Gave a paper entitled “The Hiddenness of God in Spinoza: A Case Study” at the annual Danforth Conference entitled “The Presence and Absence of God” at Claremont Graduate University.
 - Feb. 11-12, Hiram, OH: Gave a lecture entitled “Why the ‘New Atheism’ Isn’t New: The Path from Scientific Reductionism to Reenchantment” as part of the Hiram Lectures on Science and Religion at Hiram College.
 - Mar. 5, St. Louis, MO: Gave the annual Witherspoon Lecture entitled “From Quantum to Consciousness: Does Emergence Support the Language of Spirit?” at Washington University.
 - Mar. 19, Rohnert Park, CA: Spoke on “Why Making Peace between Science and Religion is Essential for Global Community” at California State University, Sonoma.
 - April 25, Portland, OR: Gave a talk entitled “This Sacred World: Irreducible Complexity in Science and the Emerging God” at Trinity Episcopal Cathedral.
 - May 1, Claremont, CA: Gave a talk entitled “A Process-Oriented Approach to Emergence in Contemporary Evolutionary Biology,” a debate with Professor Joseph Bracken, Center for Process Studies.
 - May 29 – June 1, Doha, Qatar: Spoke on “Respect without Identity: Why the Warfare Model Must be Wrong” at a summit meeting on “Science, Cultures and the Future of Humanity: Could Knowledge, Spirituality and Action Re-Shape the World?” for broadcast on Al Jazeera Television; also “Seeing the Limits of Science from within Science” and “The Six Most Common Errors in Relating Science and Religion.”
 - July 10, Monterey, CA: Spoke on “Panentheism in Comparativist Perspective, with special focus on Hinduism and the Abrahamic Faiths” at the Society of Asian and Comparative Philosophy

- annual meeting, Asilomar Conference Center.
- July 9-11, Paris: Attended "Doing Science-Religion Research Outside the Context of Western Europe and North America," a workshop sponsored by Global Perspectives on Science and Spirituality.
 - July 26 – August 2, Star Island, NH: Gave lectures and seminars entitled "Sociality and the Emergence of Culture" at the annual conference of the Institute for Religion in an Age of Science: "Emergence: Nature's Mode of Creativity – The Human Dimension."
 - Sept., Claremont, CA: Gave the annual fall Co-Director's lecture entitled "God Beyond Orthodoxy: Process Theology for the 21st Century."
 - Oct. 9-21, Beijing, China: Gave lectures at various universities.
 - Oct. 22-24, Claremont, CA: "Process Approaches to Science and Religion," Process and Faith conference, Claremont School of Theology.
 - Nov. 1-3, Chicago, IL: Gave lectures entitled "The Argument from Neglect: A Response to the Problem of Evil" and "Always Reformed, Always Reforming: Why 'Scientific Atheists' Can't be Right about the Doctrine of God" at the American Academy of Religion annual meeting.
 - November 8-9, Berkeley, CA: Spoke on "Emergence and Biosemiotics."
 - Dec. 2008-Jan. 2009, India: Annual Invited Lecturer for the Council of Philosophical Research in India. Four weeks of lectures at philosophy departments and institutes across India (e.g., New Delhi, Lucknow, Mumbai, Chennai, Bangalore). Also gave lectures at several conferences, including the ICPR Globalization conference in Delhi, the International Process Network conference in Bangalore, and the "Transforming the Self" conference in Bangalore.
- 2007**
- Dec. 9-14, Big Sur, CA: Spoke on "Panentheism in the Philosophical Traditions and Today" at the annual conference at Esalen.
 - Dec. 8, Claremont, CA: Gave a response on "Onto/Politics and Real-Life Ethics in Whitehead and Deleuze" at "'Event & Decision': Ontology & Politics in Badiou, Deleuze, and Whitehead," Claremont Graduate University.
 - Dec. 1-2, Boston, MA: Gave opening keynote entitled "Selves without Souls: Mind-Body Connections from the Standpoint of Emergent Complexity" and "Looking for the Positive: Positive Functions for Religion and Spirituality" (workshop) at Harvard Medical School Extension.
 - Nov. 1, Princeton, NJ: Gave the Witherspoon Lecture entitled "*Imago Dei*: The Biology and Theology of Freedom" at CTI.
 - Oct., Vienna: Spoke on "Menschliche Freiheit im Zeitalter des radikalen Naturalismus. Zur Kritik reduktionistischer Deutungen des Menschen," The annual "Wiener Vorlesung" and "dies facultatis," sponsored by the Kulturstadt of the City of Vienna and the Katholische Fakultät of the University of Vienna.
 - Oct., Vienna: Spoke on "Jenseits des Essentialismus. Bemerkungen zur Ontologie emergierender Entitäten," Studientag (day of studies) at the University of Vienna.
 - Sept., Copenhagen: Gave the opening keynote entitled "Challenges in the 21st Century: Religion and Science" for "Religion in the 21st Century: Transformations - Significance - Challenges," a three-year research program at University of Copenhagen.
 - Sept., Copenhagen: Spoke on "Bateson, Biosemiotics, and the Unavoidable Expansion of Conceptual Frameworks: A Response to *A Legacy for Living Systems: Gregory Bateson as Precursor to Biosemiotics*," also at "Religion in the 21st Century" at University of Copenhagen.
 - June, Virginia Beach, VA: Spoke on "Mind, Emergence, and the Spirit" at Regent University.
 - June, Boston, MA: Spoke on "Where It All Begins: Cosmology, Creation, and Open Theism" at Eastern Nazarene College.
 - June, Philadelphia, PA: Gave the opening keynote

entitled "Disciplining the Transdisciplinary: The Religion-Science Revolution and Five Minds for the Future," at the international religion-science conference for the Metanexus Institute.

- May, Boston, MA: Spoke on "Evolution and Ethics," Harvard University.
- April, Boston, MA: Spoke on "Evolutionary Biology and Religious Faith: Parts, Wholes, and the Limits of Science" at Harvard University.
- Mar., Pittsburgh, PA: Gave a series of lectures entitled "In Quest of Freedom: The Emergence of Spirit in the Natural World" at part of the 2007 Schaff Lectureship (five lectures) at Pittsburgh Theological Seminary.
- Feb., Lewisburg, PA: Spoke on "The Dawkins Delusion: Constructive Religious Reflection in

2006

- Dec. 2006, Boston, MA: Gave the keynote lecture entitled "The Sciences of Emergence: Toward a New Mind-Body Paradigm" and "Exploring the Spirituality of Emergence: Scientific and Theological Contributions" (workshop) at the conference on "Spirituality & Healing in Medicine" at Harvard Medical School Extension.
- Nov. 2006, Holland: Spoke on "Introduction to the Sciences of Emergence" and "Science and Spirituality: Starting Afresh" at Delft University.
- Oct. 2006, Cambridge: Spoke on "Cooperation in Biological and Religious Contexts: Credible and Non-Credible Models for Bridging the Gap" at Harvard University.
- Oct. 2006, Claremont: Spoke on "Cosmology and Process" for the Center for Process Studies at Claremont School of Theology.
- Sept. 2006, Madison, NJ: Spoke on "The Infinite Found in Human Form: Intertwinings of Cosmology and Incarnation" at Drew University.
- July 2006, Cambridge, UK: Gave lectures entitled "Explanation in Science and Religion" and "Emergence," the Faraday Institute Summer Course at St. Edmund's College at the University of Cambridge.
- June 2006, Cambridge, UK: "Cosmology and Anthropology: Triangulating Man's Place in the Universe"; "Mind and Emergence: Emergent Complexity from Quantum to Consciousness"; "Islamic, Christian, and Jewish Identity: Does Contemporary Science Help or Hinder?" conference of the Templeton Cambridge Journalism Fellowship, University of Cambridge.
- June 2006, Cambridge, UK: "If Consciousness is an Emergent Feature of the Universe, What Significance Does that have for Religion?" St Edmund's College, University of Cambridge.
- May 2006, Stuttgart, Germany: "Subjektivität ohne Dualismus: Wie über das menschliche Subjekt sprechen, ohne Cartesianer zu werden" (Subjectivity without Dualism: How to Speak of the Human Subject without Becoming a Cartesian), University of Stuttgart.
- May 2006, Frankfurt, Germany: "Emergenz und Freiheit," Forum with Achim Stephan, University of Frankfurt.
- May 2006, Frankfurt, Germany: "Prozess und Emergenz: Evolutionsbiologie und Metaphysik im Dialog," conference on "Realität im Prozess. Die Philosophie Alfred North Whiteheads im Dialog mit Physik, Biologie, Light of Evolution" at Bucknell University.
- Feb., Grand Rapids, MI: Spoke on "Body, Mind and Spirit: Emerging Perspectives in Science and Religion".
- Feb., Chicago, IL: Spoke on "The Hierarchical Structure of the Natural World" at the Zygon Center for Religion and Science.
- Jan., Washington, DC: Spoke on "Conflicts between Freedom and Natural Scientific Explanation," at the Washington Theological Consortium.
- Jan., Düsseldorf, Germany: Spoke on "The Emergence of Persons and Spirit Beyond Emergence," for the Michael Welker research consultation.

Neurowissenschaften und Theologie,"
University of Frankfurt.

- May 2006, Frankfurt, Germany: "Die Emergenz des Geistes," the 2006 Templeton Research Lectures (six lectures), University of Frankfurt.
- Apr. 2006, Cambridge, UK: "Divine Action and the 'Argument from Neglect,'" (co-written with Steven Knapp), The D Society, University of Cambridge, May 2006; also University of Exeter.
- Apr. 2006, London, UK: "Can Theism Ground an Adequate Theory of Human Agency and Free Will?" The Athenaeum Club.
- Mar. 2006, Lancaster, UK: "On Religion: A Speech to its Scientifically Cultured Despisers," University of Lancaster.
- Mar. 2006, Cambridge, UK: "How Far Does Emergence Take Us? Complexity, Anthropology, Theology," The Triangle Club, University of Cambridge.
- Feb. 2006, Copenhagen, Denmark: "The Problem of God in Modern Thought: From Hegel to Whitehead"; "Emergence and the Philosophy of Consciousness"; and "The Emergence of Spirit: From Complexity to Anthropology to Theology" (the last to the Forum for Eksistens og Videnskab), University of Copenhagen.
- Feb. 2006, London, UK: "The Emergence of Spirit: From Complexity to Anthropology to Theology," The Boyle Lecture 2006, St Mary-le-Bow.
- Feb. 2006, Bucharest, Romania: "The Emergence of Life and Consciousness: Scientific and Religious Perspectives," National Foundation for Science and Arts.
- Feb 2006, Cambridge, UK: "Concepts of Emergence in Science and Religion," Faraday Research Institute Lecture, St Edmund's College, University of Cambridge.

2000-2005

- "Subjektivität ohne Dualismus: Wie über das menschliche Subjekt sprechen, ohne Cartesianer zu werden" (Subjectivity without Dualism: How to Speak of the Human Subject without

Becoming a Cartesian), keynote lecture, University of Frankfurt, Frankfurt, Germany, December 2005.

- Author's response to AAR book panel on *Mind and Emergence*, American Academy of Religion, Philadelphia, PA, November 2005.
- "Consciousness and Emergence," The Esalen Institute, Big Sur, California, October 2005.
- "Emergence in the Philosophy of Religion," Department of Philosophy, Stanford University, October 2005.
- "Debating Questions of Origin from Scientific and Theological Perspectives," Process and Faith Conference, Claremont, October 2005.
- "Divine Action and the 'Argument from Neglect'" (with Steven Knapp), The Vatican Observatory, Castel Gondolfo, Italy, September 2005.
- "Central Principles of Science-Religion Research," Université Interdisciplinaire de Paris, France, July 2005.
- "Must Philosophers of Mind Choose between Dualism and Physicalism?" Ursinus University, May 2005.
- "The Plasticity of Technology and the Boundaries of Human Nature," Keynote address at "On Being Human: Science, Religion, Technology, and Law" conference, Arizona State University, Tempe AZ, April 2005.
- "The Many Faces of Integration: A New Vision for Liberal Theology (and for CST) between Church, Academy, and World," Inaugural Lecture, Claremont School of Theology, March 2005.
- "Epistemological Problems in the Science-

Religion Relation," Western Oregon State University, February 2005.

- "The Emerging Universe," Arlene Schnitzer Concert Hall, Portland OR, sponsored by "Science, Technology and Society Resident Scholars Program," the Institute for Science, Engineering and Public Policy, February 2005.

- "Untapped Resources for Process Thought II: Do You Exist as a Subject Extended in Time? The Process Thought of Henri Bergson," Center for Process Studies, Claremont CA, January 2005.

- "The New Integration: Christian Identity in the early 21st Century," Claremont School of Theology Corporation, January 2005.

- "Response to the Papers: Open and Relational Theologies Consultation," American Academy of Religion, San Antonio, TX, November 2004.

- "Religion and the Social Sciences: Reflections on the Human Quest for Meaning," the University of Nevada, Reno, November 2004.

- "Emergent Complexity as Philosophy of Science and as Theology," 2004 J. K. Russell Research Conference, Berkeley CA, October 2004.

- "Contemporary Biology and Process Thought: The Quest for Connections," Center for Process Studies Conference on Evolution, Claremont CA, October 2004.

- "The Two Faces of Emergence I: Why We Should Accept the Presumption of Naturalism" and "The Two Faces of Emergence II: Where We Should Challenge the Presumption of Naturalism," Oxford Summer Seminars Programme, Wycliffe House, Oxford, July 2004.

- "The Problem of Divine Action," Keynote address, San Jose State University conference on science and religion, April 2004.

- "Synoptic Hypothesizing," Esalen Research Group presentation, Mill Valley CA, January 2004.

- "The Spiritual Dimensions of Healing: A Perspective from the Contemporary Philosophy of Mind," Queens' College, University of Cambridge, January 2004.

- "The Contemporary Science and Religion Discussion: A Transformation of Religious Knowledge Claims, or a Futile Quest for Legitimation?" conference on "Scientific Explanation and Religious Beliefs: Methodological, Practical and Political Issues," J.W. Goethe-Universität Frankfurt, Germany, December 2003.

- "Spirituality as Spirit and Spirituality toward Spirit: A Critique of Jacques Derrida's *De l'Esprit*," American Academy of Religion, Atlanta, November 2003.

- "Schleiermacher As Romantic: Joyful Experience, the Individual and the Whole," American Academy of Religion, Atlanta, November 2003.

- "Reduction or Emergence? An Introduction to a New Paradigm in the Natural Sciences," public lecture, The University of San Francisco, October 2003.

- "Religion and Emergence," and panel presentations on "Downward Causation" and "Free Will," presented at "Reductionism and Emergence: Implications for the Science/Theology Debate," The University of San Francisco, October 2003.

- "Theses on Emergence: The Significance of Emergence for the Natural Sciences," consultation on emergence, The Center for Advanced Study in the Behavioral Sciences, Stanford University, October 2003.
- "Evolution and Emergence," Invitational Conference on Evolution, Esalen (Big Sur), October 2003.
- Panel presentation, "God and Nature," presented at "The Past and Future of the Science-Religion Dialogue: Celebrating the Work of Ian G. Barbour," Berkeley, October 2003.
- "Stepping Back from 'Science and Divine Action' — What Has and Has Not Been Achieved and Why: Questions and Challenges," Capstone Conference of the 15-Year CTNS/Vatican Observatory Project, Castel Gondolfo, Italy, September 2003
- "Science and the Possibility of Metaphysics: Emergence, Mysticism, and a Response to the Crisis," presented at "Metaphysics 2003: Second World Conference," Rome, July 2003
- "Physics and Faith," presented to the "Physics and Faith" consultation, sponsored by the Department of Physics, Oxford University, June 2003.
- Session on "Science and the Spiritual Quest," presented at "Works of Love: Scientific and Religious Perspectives on Altruism," Metanexus Annual Conference, Philadelphia, June 2003.
- "How God Became a Problem in Modern Thought (and What an Answer *Might* Look Like)," keynote address, American Academy of Religion (Midwest), Minneapolis, April 2003.
- "Theology in the Firing Line of Science: A Constructive Theological Response to the New Sciences of Emergence," Luther Seminary, Minneapolis, April 2003.
- "Emergence in the Philosophy of Religion," Stanford University, March 2003.
